"I am a young driver who bought a car recently. I applied to a number of insurance companies for insurance and was quoted very high prices. As a member of Mandate Trade Union I contacted JLT for a quote and was very surprised to find out that the insurance quote I received from JLT was the lowest of all by €400. As a first time driver it was a very positive experience for me and I would recommend JLT to any young driver." *Shane, Dublin*
