Re: Future of Dunnes Business (Republic of Ireland)

Dear Ms Heffernan/Mr Dunne,

Over the past number of days we have been made aware by many sources that an announcement is imminent regarding the future structure/ownership of the Dunnes business in the Republic of Ireland.

Clearly this type of speculation creates unnecessary anxiety amongst our members and indeed the entire Dunnes workforce. Therefore, I am sure they would appreciate and support the purpose of this correspondence which is to afford you the opportunity to deal with the persistent rumours that are currently circulating.

As always a speedy reply would be appreciated.

Yours sincerely

Gerry Light
