To the Directors of Dunnes Stores,

As a customer of Dunnes Stores, I support the Decency for Dunnes Workers campaign.

I am calling on the Company to prevent this strike from going ahead on April 2nd by immediately engaging with their workers through their Union. Furthermore, I fully support the workers' demands in relation to the campaign, including:

1. Secure hours and incomes
2. Secure jobs
3. Fair pay
4. Their right to representation.
