Re: National Negotiations

Dear Member,

Further to the last communication of 6th September 2016 I wish to inform you that the Union referred the claim for a Pay Increase and Restoration of Increments to the Workplace Relations Commission. A Hearing is scheduled to take place on Tuesday 15th November 2016. Should no progress be made the issues are likely to be referred to the The Labour Court.

At the end of this process it is the Union's intention to convene a national shop stewards meeting to consider the outcome.

We will keep you informed of developments.

On behalf of the Shaws National Negotiating Team

BETTY DILLON
