## 100 YEARS FIGHTING FOR WORKERS RIGHTS

ON WEDNESDAY 23RD OCTOBER, just one week after the Fine Gael/Labour budget, Sinn Féin is hosting a major rally in the Mansion House in Dublin. In attendance at the event will be Trade Union leaders from Ireland and the United States coming together in common cause in the fight against austerity.

Speaking at the Mansion House Rally will be:

- **Gerry Adams TD**, Sinn Féin
- **John Douglas**, President ICTU
- **Terry O'Sullivan**, US Trade Union leader
- **Patricia McKeown**, UNISON

We need to continue to build support for a real alternative and to find common cause with those in the Trade Union movement in Ireland and internationally. This event, coming as it does just days after the budget, is an important step in building that support.

**OPPOSE AUSTERITY!**

**FIGHT THE ATTACKS ON THE WORKING POOR!**

**DEFEND THE HARD WON RIGHTS OF WORKERS!**
