POWER IS IN YOUR HANDS **MAKE YOUR VOTE COUNT**

- **Over 400,000 workers without jobs;**
- **50,000 friends and family leaving Ireland each year;**
- **Savage cuts in basic welfare rates;**
- **Minimum wage cut by up to 40 Euro per week;**
- **Increased taxes on those least able to pay;**
- **Cuts in our Public Services including hospitals and education;**
- **Thousands in danger of losing their family homes.**

Fianna Fáil and the Green Party Government have brought Ireland to its knees — they have consistently supported the wealthy, the powerful and big business at the expense of ordinary workers and their families.

Vote for Change — Make Things Happen

- Voting is the most powerful weapon to make change happen;
- The powerful in Ireland are counting on you not to vote so that they can retain power and keep you in your place;
- Voting for parties with policies that promote social change, social justice and solidarity with workers will help change Ireland for the better.

Vote & Vote Smart

- Maximise the impact of your vote;
- Vote for all candidates starting with progressive parties and independents of the left, whose policies will help to build a Better, Fairer Society where our children and their children have a future;
- Make sure to use all votes on your ballot as these votes will come into play when votes are transferred.
