

# DECENCY FOR DUNNES WORKERS

## DUNNES STORES WORKERS ARE CAMPAIGNING FOR DECENCY AT WORK

We are asking our employer to address four very basic issues, including:

- 1 Secure hours and incomes**
- 2 Secure jobs**
- 3 Fair pay**
- 4 Our right to representation by our trade union.**

Dunnes Stores' owners and senior managers are refusing to meet and engage with us through our union. This is despite the Labour Court - an independent state body - saying they have an obligation to do so. Our employer has left us with no other option but to take industrial action so that we, and our issues, are taken seriously.

## WHAT YOU CAN DO TO SUPPORT DUNNES WORKERS

Dunnes Stores can stop this strike from proceeding simply by agreeing to engage with us through our union.

We cannot survive on these contracts, not knowing what hours we'll have from week-to-week. I have a young baby and rent and bills to pay, as well as putting food on the table and clothes on our backs.

“

We want real changes in how we are treated by our company. We want Dunnes to stop rejecting our attempts through our Union and the efforts of the Labour Court to resolve our concerns, particularly in relation to insecurity of hours and the right to representation through our Union.
