Dear Maurice

I refer to your letter of 28 June 2021 and wish to confirm that Mandate Trade Union accepts your formal invitation to engage in a meaningful engagement process reflective of both parties' obligations as contained in our well established collective agreements.

In order to meet the 12 July 2021 start date we will immediately commence a process of engagement with our Shop Stewards with a view to establishing a national negotiating team. Once we have completed this task we will revert with further details. At that stage we can also agree a format for the meeting, however our preference would be if possible to hold the meeting in person.

Yours sincerely  
For Mandate Trade Union
