Dear Ms. Fitzgerald

Further to the recent Mandate Trade Union National SuperValu MOPI Membership survey, the subsequent Mandate National Shop Stewards meeting and in advance of the expiration of the current National Agreement with regard to Pay & Benefits on the 31st January 2022, the undersigned has been instructed by the National Shop Stewards Group to formally lodge the following with SuperValu MOPI as the terms of the Mandate / SIPTU Pay & Benefits Claim 2022:

- 40c per hour Pay Increase to be applied to all existing Rates of Pay for a period of 12 months from the expiration of the current National Agreement.
- A review of the Current Banded Hours National Agreement to include a reduction in the difference between top and bottom points of the bands and increased opportunities to have the bands reviewed for each member.

It would be appreciated if you could contact the undersigned upon receipt of this correspondence to arrange a mutually acceptable time, date and venue for negotiations to commence.

Yours sincerely
For Mandate
