26th January 2022

Dear Mr Hogan,

Thank you for your letter of the 26th January 2022.

As previously advised, our focus continues to be on protecting the health and safety of our colleagues and customers.

We continue to monitor guidance and Government policy and we engage regularly with our colleagues on the measures in place.

If any colleague has a query in relation to the measures in their store they should discuss this with their line manager in the first instance.

Finally please again be assured of our continued commitment to the health and safety of our colleagues which remains our number one priority.

Yours sincerely,

Frank Timmins
Head of Employee Relations

Kari Daniels (Chief Executive) (UK),
Geoff Byrne, Cathal Deavy, Joe Manning
