

Shopping centres usually have a Santa Claus to visit for Christmas but Liffey Valley is home to Scrooge!

Staff are faced with a bill of up to €600 per year just to go to work.

- * no valid reason for the charges
- * no engagement with the workers
- * workers facing a cost of living crisis

How you can help us . . .

Mandate Trade Union say these parking charges are unfair and must be scrapped.

Please sign this petition to support the scrapping of the parking charges for Liffey Valley workers
