**Re: Members Collective Grievance – Dunnes Kilnamanagh Store**

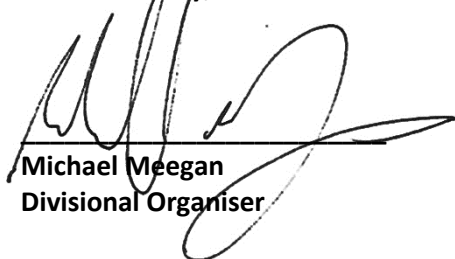

**Dear Mr. Eiliffie,**

A number of members contacted me, informing me that they submitted a signed Collective Grievance to Management and were informed by Management that their grievance was not going to be addressed, which is totally unacceptable.

The refusal of Management to deal with the members' Collective Grievance will leave Mandate no alternative but to meet with the members concerned regarding the processing of their grievance up to including a referral to the Workplace Relations Commission.

I would be grateful if you would respond to me regarding the above and in particular outlining if Management is going to address the signed Collective Grievance by close of business on Friday 11<sup>th</sup> November 2022.

**Yours sincerely,**

**Michael Meegan**  
Divisional Organiser
